

GALT TRAFFIC

JULY 2003

1st CHAPTER AOPA AIR SAFETY SEMINAR

An AOPA "Seminar In A Box" was organized and conducted by **Larry Dagley** and **Raphael Gonzalez** on the evening of June 25. The subject was "Airspace Review".

A baker's dozen of members attended and all agreed that it was not only time well spent, but a very professional and interesting presentation. There is an entire series of ASF seminars. Would you like to do one monthly? It would be a good "recurrent training" program for all members. Voice your opinion to any Chapter officer or director.

RUNWAY INCURSIONS QUIZ

Last month we asked three questions about airport markings and signage. Here are the answers and some memory gouges:

- What color paint is used for runway surface markings only?
Taxiways surface markings?
A. Runways markings are white, taxiways and ramps, yellow.
- You see this out the window – is the runway behind or ahead of you?
A. You see the dashed lines first when leaving the runway. You are not clear of the runway on this side of the hold lines. Remember this by saying, "As we promptly clear the runway, we **dash across the lines!**"
- What's the difference between yellow on black signs and black on yellow signs?
A. The taxiway signs showed you on "A" approaching the intersection with "C". Memory gouges are, "**black square, you're there**" and, "**a yellow array points the way**". We are *finally* blessed with a worldwide standard for airport signage. Let's make good use of it. See your AIM – chapter 2, section 3.

JULY AT A GLANCE

July 2 (Wed.) Board of Directors Meeting at Galt at 6 PM

July 10 (Thur.) Setup tent at Galt at 6 PM (for Michael Stanard)

July 12 (Sat.) Membership meeting 10 AM, Young Eagles from 11 AM to 4 PM

July 13 (Sun.) Take down tent at Noon

July 29 – Aug 4 "**Airventure 2003**" at Oshkosh

... And, mark your calendars ... the weekend of **Aug. 9 and 10** is **FLYERS & TIRES!**

SIGN AT AN F.B.O.

Learn to Fly	\$35.00
Learn to Land	\$3,500.

Quickie Airspace Quiz: What type airspace is Galt in? What are the day and night VFR minimums in that type airspace?

Three Retired Pilots by JHsr

Oscar: "The most useless things in aviation are the runway behind you and the altitude above you." **Foxy:** "And the fuel in the truck and four-stripe co-pilots." **Papa:** "And guy Stews and the second motor on light twins." Can you add any?

**Minutes of EAA Chapter 932
June 14, 2003 Board Meeting**

1) Tent to Big Foot:

The Chapter 932 tent will be loaned to the Big Foot chapter for their fly-in next weekend. Greg will be at the airport Wednesday evening to give their crew access to the tent and chairs.

2) Flyers & Tires

Committees were formed as follows:

Food Mgr.	Greg Domski
Safety: (Airport Ops.)	Rafael Gonzales
Facilities Setup:	Mark Krohn
Parking:	Open
Plane Rides:	Open

It was undecided whether rides would be sold. This will be based on the desire of the pilots in the chapter, and the ability to co-ordinate properly with Galt's scheduling of events.

Greg Domski and **Mark Krohn** suggested the purchase of lightweight plastic tables to replace the plywood ones currently in use. The purchase of (12) 8ft. tables at approximately \$70.00 each was proposed, but put on hold until other Chapter expenditures are completed (Fan, Stock Tank, Contribution to the playground fund).

The purchase of a large fan to chase away the flies in the Chapter building while food is being prepared, was proposed. A stock tank to hold the ice and soft drinks was as well. \$150.00 was approved for the fan and \$100.00 for the stock tank. **Dave Spitzbart** will investigate their purchase at Farm & Fleet.

3) Donation to the Playground Equipment Project:

Since the minimum cost for a playground set is \$500.00, and **Arielle Hallinan** raised \$200.00 at the May bake sale, it was suggested that a motion be brought before the membership to donate \$500.00 to her playground project (to be built adjacent to the Chapter Building observation deck) to assure that a proper amount of equipment can be purchased.

**Minutes of EAA Chapter 932
June 14, 2003 Members Meeting**

14 Chapter members were in attendance as well as **Bartley Hallinan**, his wife **Jodi** and daughter **Arielle**.

Playground Donation

A motion (**Steve Mark**) that the Chapter donate \$500.00 to the playground project initiated by **Arielle Hallinan** was seconded and passed.

Bartley, Jodi and Arielle thanked the Chapter members and explained the type and amount of equipment that would be purchased with the combined \$700.00 raised by **Arielle** in her bake sale, and by the Chapter donation. The construction of the equipment will take place on Sunday, June 29th. All members are welcome to volunteer and to bring tools.

Steak Out

Mark Krohn suggested that the Chapter have a steak cookout after the regular Saturday, July 12, meeting for a combination social event and practice for a potential "Steak-Out" fund raiser. **Greg Domski** will purchase some hot dogs, hamburgers and buns from Chapter funds and all participants may bring their own steak to cook on the Chapter grills.

AOPA Seminar - Airspace Refresher

Rafael Gonzalez presented the materials and plan for the AOPA "Seminar in a Box" series. He and **Larry Dagley** will present the first in the series - Airspace Refresher - on Wednesday evening June 25, at 7:00 pm in the Chapter building. Everyone is welcome and should plan to attend.

Flyers and Tires Preparation

Mark Krohn reviewed the committees established at the board meeting and the members present signed up to work on the one of their choice. Mark will assign any members not present to the committees lacking sufficient volunteers and when completed, will provide the lists of committee members.

Plane rides by the Chapter was tabled for future consideration.

Dan volunteered to bring several golf carts again this year. They were indispensable at the 2002 Flyers and Tires event.

Bartley Hallinan suggested that Chapter members wear Galt airport "Staff" t-shirts at the event to associate them with the airport in the public's eyes. This will provide readily available information for the attendees as well as extend the airport's safety team. He suggested that better barriers than last year's police-line tape be used and that all Chapter members remind attendees of the no smoking areas near the flight line and fuel dump.

Rafael suggested that **Mike LeJuene** be invited to the next Chapter meeting to brief the members on Galt's plans for the event and to co-ordinate tasks. **Mark Krohn** will meet with **Mike Stanard** and **Mike LeJuene** as well.

Ted Domski ran the 50/50 raffle with \$15.00 going to the Chapter web site and \$15.00 going to perennial winner **Rafael Gonzalez** who then donated his winnings to **Arielle's** playground project bringing the grand total to \$715.00 for the kiddies.

Respectfully submitted,

Steve Mark, EAA 932 Secretary

FLY-IN / EVENTS CALENDAR

JUL 12 Regular Meeting 10 AM Young Eagles 11-4 PM

JUL 29-AUG 4 EAA Airventure '03 Oshkosh

AUG 9-10 Flyers and Tires
